

Philipsburg-Osceola Area School District School Health Services

The School Health Law requires physical examinations for elementary students in **kindergarten, 6th and 11th grade**. These examinations must be done at school or by your private physician. **Private examination forms must be completed and returned no later than March 31st, 2021.**

Check the appropriate request for physical examination. Sign, date, and return this form as soon as possible.

- () I will have my child examined by my family physician and submit the form to school. A private physical examination is scheduled for _____.
- () I hereby grant permission for the *school physical examination scheduled on November 18th, 2020.

*I authorize Philipsburg-Osceola Area School District Health Department to use/disclose protected health information on the school health record to the examining physician from Tyrone Medical Associates for the purpose of the school physical examination.
