

POASD Students & Staff — COVID-19 Decision Tool

If you test positive for COVID-19

Immediate isolation for a minimum of 5 days following onset of symptoms or positive test.

AND

Symptoms are improving and no fever (**without fever reducing medication**) for at least 24 hours prior to release from isolation.

AND

Wear a *mask at school for an additional 5 days.

Note: Always follow doctor's orders for return date.

Exposed Case: Regardless of Vaccination Status

Individual who had close contact, less than 6 ft of a COVID+ person for 15 consecutive minutes.

Symptoms Present

NO

May remain in school but must wear a *mask for 10 days.

YES

Quarantine at home for a minimum of 5 days and testing recommended.

Note: If you reside with a COVID positive person and you are unvaccinated, we recommend that you quarantine for 10 days minimum (5 days begins after the household member's 5-day isolation ends). Wear a *mask at school for 5 days upon return.

Isolation for 5 days from start of symptoms and follow doctor's orders. Wear a *mask at school for 5 days upon return.

Positive test result

Negative test result

Wear a *mask for 5 days upon return to school.

May continue outdoor athletic participation without a mask; indoor athletic participation requires a mask when not participating in a physical activity.

*Masking is required at school until further notice. This document contains guidelines in the event that the district's mandatory masking policy changes.
