## Kindergarten Registration!

We have tentatively set the 2022-2023 Kindergarten Registration for March 14 & March 15 at O.M.E. More information coming!

## O.M.E. Welcomes a New Reading Specialist!

OME is excited to welcome Mrs. Daina Baughman! She will begin January 12 as our new Reading Specialist!

## O.M.E. Parent & Student STEAM Night!

STEAM Night ( Science-Technology-Engineering-Art-Math) -There will be a family STEAM night on Wednesday, January 26th in the OME cafeteria from 6 p.m.-7:30 p.m. Families will have the opportunity to participate in winter themed activities integrating reading, art, engineering, science, coding and robotics. All age students are welcome. Informational fliers will be sent home this week. Snacks and refreshments will be provided! Please RSVP by January 19!

# Cyber Bullying & Digital Citizenship

Trooper Chris Fox will be at OME on January 18 to discuss how to be a responsible digital citizen and the dangers of Cyberbullying. This will be presented to our 5th grade students.

## 100th Day at OME!!!

The 100th day is tentatively set for Wednesday, February 2! Students and staff are encouraged to celebrate by participating in a dress up day! Participants can dress as a 100 year old person or incorporate the number 100 into their outfit that day! We can't wait to see all the outfits!!!

*You Can't Spell Awesome without OME!*

# OME Welcomes New Building Substitute!

O.M.E. Welcomes Mrs. Brandi Sandoval as our new building substitute! She will begin her duties on Wednesday, January 12!

## Elementary Schools Piloting New Math Programs

There is a Pilot Committee Team sampling new math programs for the 2022-2023 school year. Currently, select teachers in both buildings are piloting the successor to GO Math, called INTO Math. After this pilot ends, the team will look at piloting REVEAL Math, formerly Everyday Math.
