

March 2022 PE Monthly Newsletter

PE Families,

It is hard to believe that March is already here. Hopefully, it won't be long before the warm weather arrives and the end of year field trips and testing begins!

Please make sure to join your child's teacher's Class Dojo page to stay up-to-date on the many exciting educational opportunities our students have daily. We also use Class Dojo to post a variety of information to inform parents of what is taking place at PE!

As always, please reach out to me if you have any questions.

Keep being AMAZING,

Mr. Fye

After School Tutoring Program

In January, our district received a grant in order to begin an after school tutoring program. Our program is available for all K-5 students at Philipsburg Elementary. The goal of the program is to work with students to build on skills that students may need assistance with or are working on in class. The tutoring program takes place on Tuesdays and Thursdays from 3:00 to 4:00. Please contact the school office if you have questions about the program.

Day in the Snow!

All PE students who were Safe, Respectful, and Responsible during the month of January were able to participate in a "Day in the Snow!"
