Dear Senior High Community:

First, we'd like to thank Mr. Hazelton for his service and dedication to the District. He has accepted a position at Penn State and will certainly become an asset for the University. Today is his last official day.

It's late in the year for us to find a replacement to fill the vacancy. For the remainder of the year, Linda Hockey, our administrative grant specialist, and I will assist Ms. Bravin in the daily operations of the Senior High. Mrs. Hockey's title will be interim Senior High Principal. Please follow the chain of command if there are any issues that you need to discuss. Contact the teachers first; then if you need additional services, feel free to contact Ms. Bravin or Mrs. Hockey. Should they need assistance, I will be there to offer my support and help. It's Ms. Bravin's first year as Assistant Principal, and she's doing a great job. Effective immediately, Mrs. Hockey and I are relocating to the Senior High for at least the remainder of the school year.

It's been quite a year with the pandemic, the weather, and constant changes. Thanks for your patience as we continue to do our best to provide the students with the best education possible.

Yours in Education,

Dr. Gregg Paladina
