eMountie Academy

**Are you considering virtual learning for your child/children this fall?
Philipsburg-Osceola Area School District's eMountie Academy is
available to all PO students in Grades K-12.**

eMountie Academy is designed to provide personalized learning opportunities to students in the Philipsburg-Osceola School District by allowing students to complete their education through a fully sponsored virtual school program. eMountie Academy is currently enrolling students for the start of the 2020-21 school year.

Enrolled students will achieve their academic goals in a virtual learning environment that is flexible and adaptive. Additionally, students will receive a diploma from the Philipsburg-Osceola School District. eMountie Academy offers students the best in education virtual learning through an interactive and inviting curriculum and a student support system that is second to none.

Why eMountie Academy?

- ✓ PA Certified teachers provide support to students for all courses
- ✓ Career Technical Education (CTE) options available
- ✓ Students receive a laptop
- ✓ Cyber room access provided on site at POMS and POHS
- ✓ Students awarded a PO diploma
